INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Mayan Families

We have audited the accompanying statement of financial position of Mayan Families as of September 30, 2008, and the related statement of activities and statement of cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Mayan Families as of September 30, 2008, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

MAYAN FAMILIES
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2008

NOTE A-NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

1. Mayan Families ("The organization") was incorporated under the laws of the State of California on June 4, 2007. The organization has adopted a September 30 fiscal year end for reporting requirements.
2. Mayan Families is a non-profit organization whose purpose is to raise money to support the Maya indigenous communities of the Atitlan region of Guatemala. The organization's purpose is accomplished through the different programs the organization runs, for the benefit of Maya residents. The programs include the following:
 - a. Construction Program – The organization funds building, repairs and maintenance of classrooms and community learning centers which are used for community gatherings, education, medical and veterinary clinics and distribution of donated items. It also has purchased land and built homes for homeless families victimized by extraordinary circumstances.
 - b. Family Aid Program – The organization provides needy families with beds, sinks to wash their clothes, tables and chairs and other household items.
 - c. Food and Milk Program - Mayan Families supplies healthy vital food to those in need. Deliveries include oil, grain, milk, eggs, bread and other basic items. It also provides infant formula for mothers unable to nurse their babies.
 - d. Medical Program – The organization facilitates free clinics for visiting doctors and dentists. It also has made arrangements with Guatemala clinics and physicians to treat the families the organization support. Mayan Families also provides transportation for the sick, wheelchairs and vision care for those in needs.
 - e. General School Program – The organization supports local school in providing a better education through supplies of healthy food for lunches, classroom desks, books and school supplies.
 - f. MicroLoan Program - Mayan Families provides zero interest loans through agreements with and guarantees by organized groups.
 - g. Chickens Program – The organization distributes chicks to needy families who are capable of raising them and would like to be part of this program. The organization distributes 10 chicks per family and provides the supply of feeds.
 - h. Christmas Program – The program provides healthy meals, gifts and Christmas parties to families who otherwise would go without during the holiday season.
 - i. Healthy Pets Program – The organization offers food, free and low-cost sterilization clinics for household pets. It also provides adoption services for homeless and rescued animals.

NOTE A-NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-CON'T.:

- j. Sewing Program - Mayan Families brings used sewing machines, training classes, and class materials to the poor communities.
 - k. Fuel Efficient Stoves Program - Mayan Families provides needy families with fuel-efficient wood stoves that have financial, health, and environmental benefits.
 - l. Student Sponsorships- The organization sponsors children to go to school with special emphasis placed on children from single parent families.
 - m. Water Filter Program - Mayan Families provides water filters to homes and school to provide clean drinking water to the community.
3. Promises to Give – Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.
- The organization uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on historical experience and management's analysis of specific promises made. There were no outstanding pledges receivable as of September 30, 2008.
4. Contributed Services – During the year ended September 30, 2008, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization at its facilities, but these services do not meet the criteria for recognition as contributed services.
5. Property and Equipment – It is the Organization's policy to capitalize property and equipment over \$500. Lesser amounts are expensed as incurred. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated or acquired assets are placed in service as instructed by the donor, the Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. The organization's policy is to depreciate property and equipment using the straight line method. As of September 30, 2008, the Company had no property and equipment.

NOTE A-NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-CON'T.:

6. Use of Estimates-The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
7. Financial Statement Presentation – The Organization is required to report information regarding its financial position according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. These classes are defined as follows:
 - Permanently Restricted-Net assets resulting from contributions and other inflows of assets whose use by Mayan Families is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of Mayan Families.
 - Temporarily Restricted-Net assets resulting from contributions and other inflows of assets whose use by Mayan Families is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of Mayan Families pursuant to those stipulations. When such stipulations end or are fulfilled, such temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets.
 - Unrestricted-The part of net assets that is neither permanently nor temporarily restricted by donor-imposed stipulations.
8. Contributions – Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence or nature of any donor restrictions.
9. Income Taxes – The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.
10. Cash and Cash Equivalents-For purposes of reporting cash flows, cash and cash equivalents include cash on hand and cash in checking accounts with banks.
11. Concentration of Cash and Credit Risk-The organization maintains cash balance which, at times, may exceed federally insured limits. Management believes it is not exposed to any significant risk on its cash balances. At year end, the organization had no uninsured cash balances.
12. Leases that meet the criteria for capitalization are classified as capital leases. As of year end, there were no such leases. Leases that do not meet such criteria are classified as operating leases and related rentals are charged to expense (Note E).
13. Advertising Costs are expensed in the year incurred. The Organization incurred no advertising expense in the year ended September 30, 2008.

NOTE E-COMMITMENTS AND CONTINGENCIES / RELATED PARTY TRANSACTIONS:

The facilities presently used as the organization's office are leased on a month to month basis from one of the members of the board of directors. For the fiscal year ended September 30, 2008, the Organization paid a monthly rent of \$200.

NOTE F-FAIR VALUES OF FINANCIAL INSTRUMENTS:

Disclosure of fair value information about certain financial instruments, whether or not recognized in the balance sheet, for which it is practicable to estimate that value is required by SFAS 107 and SFAS 115. The following methods were used in estimating fair values:

Cash and Cash Equivalents-The carrying amount on the balance sheet approximates its fair value.

The carrying amounts and fair values of the Organization's financial instruments as of September 30, 2008 are as follows:

	<u>CARRYING AMOUNTS</u>	<u>FAIR VALUE</u>
Cash and Cash Equivalents	\$ 38,573	\$ 38,573

NOTE G- NEW ACCOUNTING PRONOUNCEMENTS:

In September 2006, the FASB issued SFAS No. 157, "*Fair Value Measurements*" ("SFAS 157"). This standard defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles and expands disclosures about fair value measurements. SFAS 157 was effective for financial statements issued for fiscal year beginning after November 15, 2007 and interim periods within those fiscal years. However, the FASB agreed to defer the effective date of SFAS 157 for one year for all nonfinancial assets and liabilities, except those that are recognized or disclosed at fair value in the financial statements on a recurring basis. The adoption of SFAS 157 is not expected to have a material impact on the Company's results of operations, cash flows and financial position.

In February 2007, the FASB issued SFAS No. 159, "*The Fair Value Option for Financial Assets and Financial Liabilities*" ("SFAS 159"). SFAS 159 permits entities to choose to measure at fair value many financial instruments and certain other items that are not currently required to be measured at fair value. Subsequent changes in fair value for designated items will be required to be reported in earnings in the current period. SFA 159 also establishes presentation and disclosure requirements for similar types of assets and liabilities measured at fair value. SFAS 159 is effective for financial statements issued for fiscal years beginning after November 15, 2007. The adoption of SFAS 159 is not expected to have a material impact on the Company's results of operations, cash flows and financial position.
